Bundle Live Events + Cricket for premium tier.

Phase 3

Province-specific Marketing

Regional content and pricing for Gauteng, WC, KZN.

Phase 4

AI Recommendation Engine

Real-time ranking to reduce time-to-first-play.

Executive Summary

Auto-generated insights

Weekend viewing is significantly higher than weekday viewing.

Monday has the lowest engagement and biggest growth opportunity.

Saturday records the highest overall consumption.

Afternoon viewing has the longest average watch duration.

Sports and live events dominate the top channels mix.

Most sessions are under 60 minutes — an opportunity to deepen engagement.
